Founder's Message

Anyone can dance
if given the chance

You DO have the ability to achieve your dance goals, no matter what obstacles you may face. If you have the desire in your heart, take every opportunity to embrace your passion. It IS possible to learn, love, and live a dance-filled life!

-Larisa Hall, Executive Director

Needs of Society

Problems

There aren't many dance opportunities in San Diego for people that are advanced in age, have disabilities, or are struggling financially.

Solutions

To provide inclusive classes, accommodations may be needed to ensure a quality dance education for all of the students.

- Grants may be necessary to support fee waivers, scholarships, and free class.

Community Relationships

Donors

Tap Fever Studios is still a relatively new organization, and we are working hard to establish a pool of donors, which will help us to support our programs for dancers with disabilities.

Volunteers

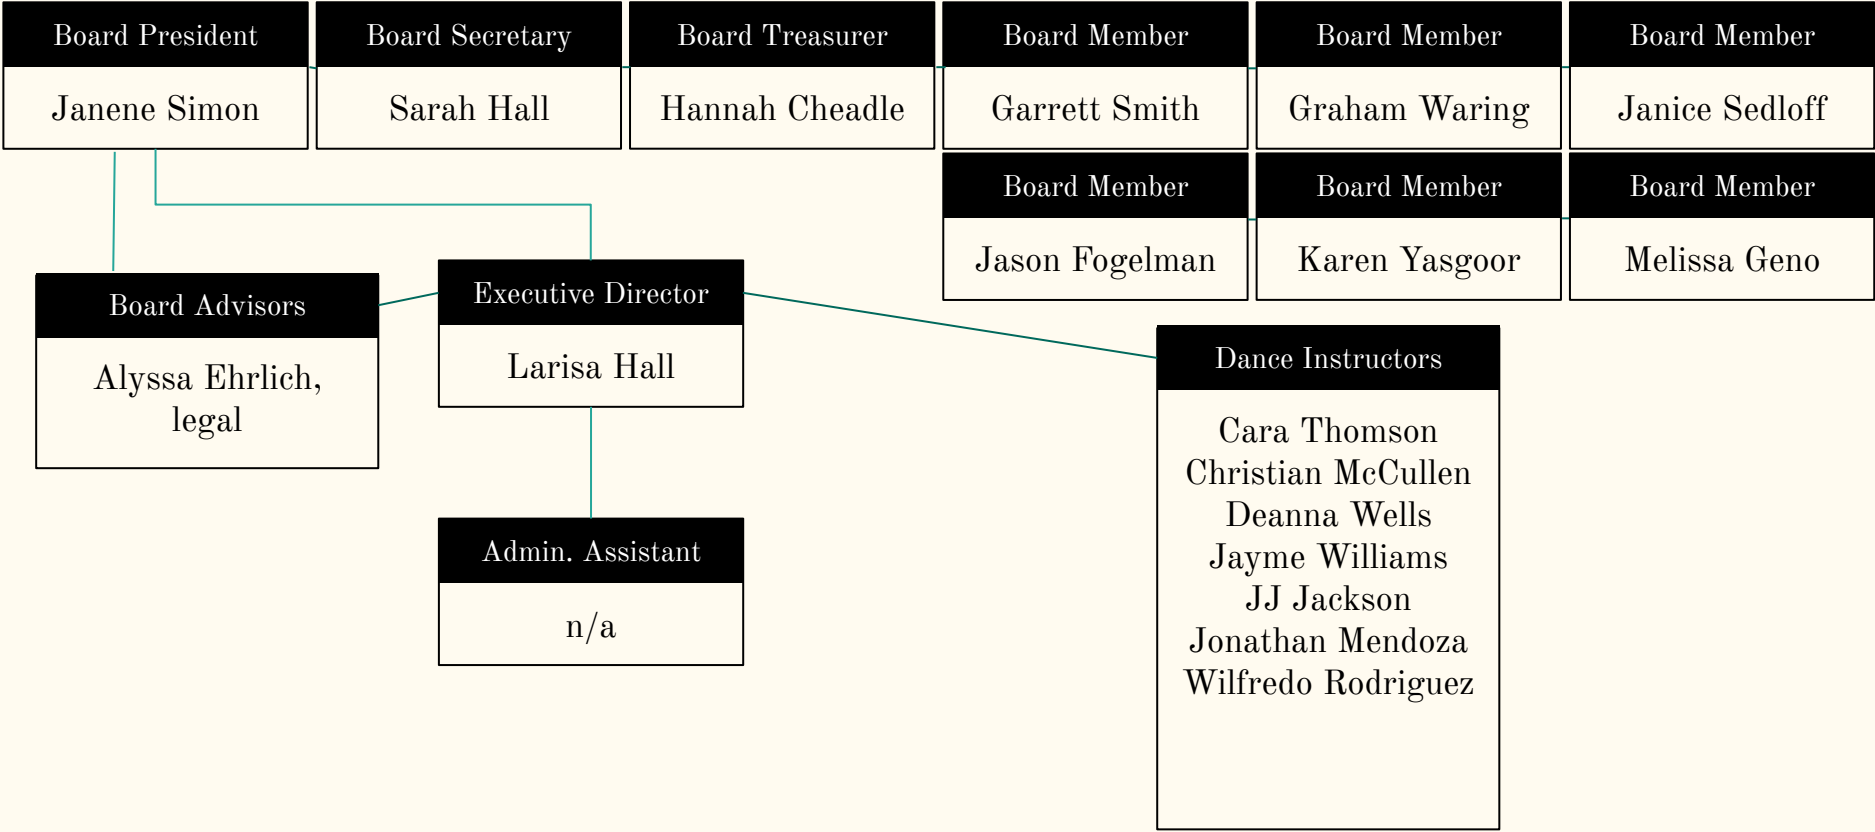

We rely on many volunteers throughout the year, and we are very lucky to have so many who believe in our cause.

- Dance class assistants
- Recital support

Partnerships

Our community partnerships include many local non-profit organizations that serve people with disabilities. Our goal is to inspire our neighbors to stay active, and share the joy of dance!
